

2023 Compensation Guidelines

The Compensation Guidelines for 2023 have been approved by Synod Council. Notes to be aware of:

1. Salary:

Synod council has approved an increase of 8.0% across the grid.

2. Benefits:

Group Services Inc. (GSI, the ELCIC’s benefits provider) and National Church Council continue to set national harmonized standards for vacation, leave of absence, ELCIC pension, group benefits plan, continuing education plan, mileage, and book allowance.

3. Allowances and Reimbursements:

Flat amounts paid monthly for vehicle, phone, books, etc. must be added to salary and are subject to deductions (tax, CPP, EI) at source.

Reimbursements for mileage, phone bills submitted monthly, etc. can be paid as an expense and the congregation is entitled to the public service bodies’ GST rebate.

Please note if more than \$0.55/km is paid after the first 5,000 km in the calendar year (or more than \$0.61/km for first 5,000 km), it may be considered by CRA as unreasonable and that amount will become income to the recipient subject to tax, CPP, and EI. (2022 rates)

Should there be any questions related to payroll, please do not hesitate to contact Monica Johnson, Finance Manager at the Saskatchewan Synod: finance@sasksynod.ca or phone 306-244-2490.

Notes on the Salary Guidelines

1. The purpose of the guidelines

These salary guidelines approved by Synod Council assist congregations and parishes in planning remuneration for rostered ministers. Note that these guidelines are considered minimum salary and may be exceeded, depending on individual circumstances, experience, and workload of the rostered minister.

Where a congregation finds it impossible to pay up to the salary scale, the bishop shall be consulted in order that other options for compensation may be considered, such as additional free time, study leave, or leave for part-time employment outside the parish.

2. Overall change to the 2023 salary grid:

An 8% increase has been applied to the 2022 grid.

3. Salary grid examples:

On the anniversary date of a rostered minister's service under call, the minister will move up one step (unless he/she is already at the top step), thereby receiving an increment for the additional year of full-time service under call.

- a. Rostered ministers in part-time service will take longer than 12 calendar months to attain the 12-month full-time experience equivalency.
- b. Rostered ministers who experience a period "on leave from call" exclude that time when calculating their total years of experience.
- c. Parental or medical leave without resignation from call is included when calculating a minister's years of service under call.

On January 1, 2023, rostered ministers will remain at the same step as they were on at December 31, 2022. However, they will receive payment based on their step in the 2023 Grid. (Some parishes have chosen to make the step adjustment on January 1 to avoid having to calculate salary twice in a year.)

d. Examples:

Pastor X was at Step 4, Level 3 in 2022 (annual earnings of \$65,111). On January 1, 2023, Pastor X remains at Step 4, Level 3 (\$70,320). Then, on the anniversary date of Pastor X's service under call (ordinarily the date of beginning the first call unless extended absences from call occurred), Pastor X moves to Step 5, Level 3 (\$73,133) to acknowledge another year of experience in ministry.

Pastor Y with 10 years of ministry experience was at Step 6, Level 3 in 2022 (\$70,426). On January 1, 2023, Pastor Y remains at Step 6, Level 3 and receives only one adjustment to minimum salary for the year (\$76,060).

4. Salary and housing combined on the grid:

These guidelines, as they have for a number of years in Sask Synod, combine the former salary and housing allowance number into one salary number. Note that deductions at source for tax and CPP cannot be reduced by claiming a portion of salary as housing. Deductions at source can only be reduced with an authorization letter from Canada Revenue Agency for that tax year. The rostered minister can request a reduction by filing Form T1213 annually in October/November for the following tax year.

5. Housing:

- When a congregation owns a parsonage, it is to be treated by the congregation as a rental property. The rostered leader has first option to rent it from the congregation/parish for an agreed-upon fair market rental for that community. (If a parsonage is rented by the rostered leader, the negotiated price should include

utilities.) The rostered minister would issue a monthly cheque for rent to have a clear paper trail for auditing purposes. If the minister chooses not to live in the parsonage, this has no impact on the salary/benefit package as the parsonage can be rented to other members of the community to generate revenue for the congregation.

- A clergy residence benefit deduction continues to provide rostered leaders with a significant benefit through the rostered leader's tax return with CRA. As noted above, this cannot be used to reduce deductions at source without a letter of authorization from CRA for the current tax year.
- For clergy couples: Rostered ministers who share the same accommodation are each entitled to all components of the salary package. (Only one member of the couple may claim the clergy residence tax deduction with CRA.)

2023 Benefits for Rostered Ministers

Group Services Inc. (GSI, the ELCIC's benefits provider) and National Church Council continue to set national harmonized standards for vacation, leave of absence, ELCIC pension, group benefits plan, continuing education plan, book allowance, sick leave, and maternity leave.
